

# Berserk

Hate takes control on my brain  
Makes my pulse pump very fast  
Don't cross my way anywhere  
Or you greet your final day

Don't wanna see your fucking face  
I just want to kick your dirty ass  
Don't wanna hear your fucking voice  
I just wanna push your face in the dirt

Watch me as I'm going berserk  
Watch me as I'm going berserk  
Watch me as I'm going berserk  
Watch me as I'm going berserk

Which slut gave you right to live  
Dirty bastard, son of a bitch  
Aggressions out of control  
I hate you, you make me rage

Don't wanna see your fucking face  
I just want to kick your dirty ass  
Don't wanna hear your fucking voice  
I just wanna push your face in the dirt

Watch me as I'm going berserk  
Watch me as I'm going berserk  
Watch me as I'm going berserk  
Watch me as I'm going berserk

I just want to see you die  
Celebrate your dying day  
I will piss onto your grave  
I'm alive and you are dead

Don't wanna see your fucking face  
I just want to kick your dirty ass  
Don't wanna hear your fucking voice  
I just wanna push your face in the dirt

Watch me as I'm going berserk  
Watch me as I'm going berserk  
Watch me as I'm going berserk  
Watch me as I'm going berserk
